#### **Wendy Barker A.R.A.D. - Director**

Wendy was born in Gladstone. As a student she was recommended to the Royal Ballet School by Dame Margo Fonteyn and from there danced professionally all over the world with the London Ballet, Royal Winnipeg Ballet and the Pennsylvania Ballet. As principal dancer with the American Classical Ballet, she partnered with the legendary Rudolf Nureyev, dancing the role of Effie in *La Sylphide*.

While living in New York, Wendy taught at Ballet Theatre II, Ballet Hispanico of New York City, Mary Anthony Dance Theatre and the Brooklyn School of Music. She opened her own school on Staten Island in 1984 and was one of very few teachers who offered the Royal Academy of Dance Syllabus in New York

Wendy has had the great good fortune to work with many distinguished teachers and choreographers and, on returning home, brings a wealth of experience to share with young dancers of the future. She directs the Wendy Barker Dance Studios in Gladstone and Boyne/Tannum and established the Tanyalla Summer Dance Camp in 2000 to provide a unique and affordable dance experience for youth in the Central Queensland Region.
